Message

Dr. Inderjeet Singh
Vice-Chancellor

With great pleasure and enthusiasm, I extend a warm welcome to you on behalf of the entire academic community at Guru Angad Dev Veterinary and Animal Sciences University, a premier institution in India dedicated to excellence in animal husbandry, dairy, and fisheries education and research.

At Guru Angad Dev Veterinary and Animal Sciences University, we take pride in our commitment to fostering a learning environment that is not only academically enriching but also providing a holistic experience for our students. As the Vice Chancellor, I am honored to be part of an institution that has a rich history of producing skilled professionals who contributed significantly to the field of veterinary and animal sciences.

The university is dedicated to nurturing a community of learners who are not only well-versed in the latest advancements in the field but are also equipped with the skills and knowledge necessary to address the evolving challenges in the field. Our faculty, comprised of distinguished experts and researchers, is dedicated to provide a world-class education that blends theory with hands-on practical experience that will enable students to achieve full potential to create a successful professional in the livestock industry. Our state-of-the-art infrastructure, well-equipped modernized laboratories and comprehensive library are among the many resources that we provide to support your academic endeavors.

We offer a wide range of undergraduate, postgraduate, and doctoral programs, including veterinary science, dairy science and technology, fisheries, and animal biotechnology. Additionally, we have introduced several skill-oriented diploma, certificate, and short courses to promote entrepreneurship development through specialized capacity building in the key areas of interest.

The University campus is a vibrant hub of intellectual curiosity and cultural diversity, where students from various backgrounds come together to engage in collaborative learning. As you embark on this exciting journey towards a career in veterinary, animal and fisheries sciences, remember that this University is not just a place of learning; it is a community that values integrity, curiosity, and a commitment to make a positive impact on society. Our emphasis on research, innovation, and ethical practices sets us apart and prepares our graduates to excel in their professional accomplishments.

I encourage you to explore the pages of this prospectus to gain a deeper understanding of the various programs we offer, the faculty will guide you about the countless opportunities that await you at the institute. Join us in our mission to advance knowledge, promote animal welfare, and contribute to the betterment of the society.

I look forward to welcoming you to our academic family and extend my best wishes for your academic journey at Guru Angad Dev Veterinary and Animal Sciences University. We hope that the new academic session 2024-25 will attract the best talent from all parts of the India, and the students will excel in academics, co-curricular, and extra-curricular activities, so that they get transformed into proficient professionals to help the animal husbandry, dairy and fisheries sectors in achieving the envisaged socio-economic national goals.

Once again, I extend my warm welcome to you to join us and become a part of our thriving academic community.

ABOUT THE UNIVERSITY

Introduction

Guru Angad Dev Veterinary and Animal Sciences University (GADVASU) was established on 9th August, 2005 at Ludhiana through Punjab Act no. 16 of 2005. Initially, the College of Veterinary Science (established in 1969), was shifted from Punjab Agricultural University to Guru Angad Dev Veterinary and Animal Sciences University. After starting functioning on 21st April, 2006, the university has achieved remarkable milestones in academics as well as research and development (R&D); and has been placed among the top Veterinary and Agricultural Universities in the country since 2017, with international brand value. With an excellent organizational set up as below, GADVASU is playing an instrumental role in holistic development of animal husbandry, dairy and fisheries sectors of the State through an integrated 3-tier approach including human resource development, R&D and technology transfer.

Universities (AIAU) and Association of Indian Universities (AIU). Indian Council of Agricultural Research (ICAR) has accredited the University and its four constituent colleges viz. College of Veterinary Science, College of Dairy and Food Science Technology, College of Fisheries, and College of Animal Biotechnology with grade 'A'.

The University is committed to produce world class

professionals (graduates and postgraduates) to serve the livestock and fisheries sectors; and its alma matter is well settled with nationally/ internationally recognized excellence in academics, research, administration and policy making in India and abroad. Further, in order to promote self-reliance among the passing out professionals in veterinary, dairy and

VETERINARY COLLEGES OF THE UNIVERSITY

2.1 Introduction

(A) College of Veterinary Science, Ludhiana

The College of Veterinary Science was set up in 1969 as a constituent college of the Punjab Agricultural University, Ludhiana. With the formation of new university, it became a part of the Guru Angad Dev Veterinary and Animal Sciences University in 2006. The college has 17 departments with excellent laboratory facilities and infrastructure for undergraduate (UG) and postgraduate (PG) teaching and research.

The college owns a well-established Livestock Farm Complex comprising of an elite dairy herd, a poultry farm, a goat farm and a piggery unit. Multi-Speciality Veterinary Hospital caters to the need of large and small animal healthcare. The college has distinction of having three Indian Council of Agricultural Research (ICAR) Centers of Advance Faculty Training in Veterinary Surgery and Radiology, Veterinary Gynaecology and Obstetrics, and Veterinary Pathology.

Bachelor of Veterinary Science and Animal Husbandry (B.V.Sc. & A.H.) degree is designed to equip the graduates with the knowledge and skills essential for a career in Veterinary Science and Animal Husbandry as per Veterinary Council of India (VCI) norms. The programme is divided into three phases: the pre-clinical phase to provide education in basic aspects such as Veterinary Anatomy, Physiology, Biochemistry, Genetics, Breeding and Extension. The para-clinical phase includes bridging subjects between the pre-clinical and clinical phases such as Veterinary Pathology, Microbiology, Public Health, Epidemiology, Parasitology, Pharmacology, Toxicology, Nutrition, Livestock Farm Practices and Livestock Products Technology. The clinical phase includes Veterinary Surgery & Radiology, Medicine, Gynaecology and Obstetrics. At the end of the course work, the students undergo a compulsory rotational internship programme.

Successful completion of B.V.Sc. & A.H. programme entitles the graduates to seek mandatory registration with Punjab State Veterinary Council/Veterinary Council of India as a Registered Veterinary Practitioner. The college is recognized by VCI and all the ongoing UG and PG programmes in the college have been accredited by the ICAR with 'A' grade.

COLLEGE OF DAIRY AND FOOD SCIENCE TECHNOLOGY

3.1 INTRODUCTION

College of Dairy and Food Science Technology, Ludhiana is one of leading institution of dairy education and research at national level. It was established as College of Dairy Science & Technology in the year 2008 as one of the constituent colleges of GADVASU, to meet the trained manpower requirements of dairy and food industry. Subsequently, the college renamed as College of Dairy and Food Science Technology following the introduction of new B.Tech. (Food Science and Technology) programme from academic session 2024-25 onwards. To impart the quality education and training of students it is equipped with excellent infrastructure in terms of state-of-the-art classrooms and laboratories with advanced analytical instruments facilities.

Moreover, the college also has an Experimental Dairy Plant which is working round the year and facilitates Hands-on-Training of students. Besides physical infrastructures, college is also blessed with a pool of young and dynamic faculty with an exposure of working at premier institutes of international repute. Accreditation of our academic programs by ICAR, New Delhi with 'A' grade in itself reflects the quality of education and training imparted at this college.

The college is introducing a new undergraduate program B.Tech (Food Science and Technology), starting from the academic session 2024-25, signalling the commencement of a rewarding academic journey for students passionate about the science underlying our food. A new programme B.Tech. (Food Science and Technology) 4 year is designed as per V Dean's committee, with multiple exit options within this period, with appropriate certifications, e.g., a diploma (Food Science) after completing 1 year in a discipline or Advanced Diploma (Food Science and Technology) after 2 years of study, or a Bachelor's degree (BSc, Food Science and Technology) after completing 3 years of the programme. Designed to integrate theoretical knowledge with hands-on experience, the curriculum encompasses areas such as food process technology, food safety and quality assurance, food process engineering, and food business management. Leveraging state-of-the-art facilities and industry partnerships, students

will acquire practical insights and skills vital for success in the dynamic field of food science and technology.

Job oriented undergraduate program of B.Tech. (Dairy Technology) is one of the most sought after and flagship program of the college. It is a four-year degree program during which students are trained in such a way so that they fit in for both technical and managerial jobs in dairy and food industry. The college also provides facility of Campus Placement. Most of the students get job offer through campus placements. Industries like Verka, Amul, Nestle, Baani etc. have previously visited campus to hire the students through campus recruitment.

The college also offers Masters degree in five disciplines i.e Dairy Technology, Dairy Engineering, Dairy Chemistry, Dairy Microbiology and Agricultural Economics. The college also offers Ph.D programme in these disciplines except Dairy Chemistry. During their degree program Master's and Ph.D students are exposed to conduct theme specific research, generate data and documentation in the form of thesis, research papers, patent etc. The college has number of active collaborations with industry and academic/ research institutes at national and international level which gives our students an opportunity to work and learn under dynamic research environment. Besides working in different dairy and food industries in India our students are also spread across the world in countries like USA, New Zealand, Canada, Australia etc. for their higher education and jobs.

To meet the requirements of skilled floor level workers in dairy and food industries from 2022-23 academic session the college has started two new short courses of 8 weeks duration with intake capacity of 15 candidates per batch.

COLLEGE OF FISHERIES

4.1 INTRODUCTION

College of Fisheries (COF), one of the constituent colleges of GADVASU, was established in April, 2008, to produce professionally competent human resource (graduates and postgraduates) to serve the fisheries sector in different capacities (teaching, research, extension, planning and livelihood generation) for holistic development through productivity enhancement and socio-economic sustainability. Since its establishment, the College has registered a commendable academic growth and has made significant R&D contributions for the development of the inland fisheries sector in the north-western region of India. With five departments, competent experienced faculty, smart classrooms, fully equipped modern laboratories and a well-developed “Instructional cum Research Farm” (spread over an area of 6 ha), COF, GADVASU possesses hi-tech facilities for effectual teaching, capacity building (experiential learning, skill development, trainings and demonstrations), advanced research and extension programs.

Fisheries college is accredited by the ICAR with “A” grade and is offering undergraduate (UG) and postgraduate (PG) degree programs in different disciplines of fisheries. The course curriculum of its four-year UG degree program, Bachelor of Fisheries Science (B.F.Sc.), is being offered as per Indian Council of Agricultural Research (ICAR)- 5th Deans’ Committee Recommendations and is divided into eight semesters. During the first 3 years (1st to 6th semester), students are taught different courses (theory and practical) covering various aspects of fisheries and they undergo ‘STUDENT READY PROGRAM’ during the last year (7th & 8th semesters) of the degree program, including :**i**) In-Plant Training (8 weeks), Rural Fisheries Work Experience (RFWE) (8 weeks) and 1-Month “Study Tour” during 7th semester and **ii**) Experiential Learning, Skill Development (1-Week) and Project Development Program during the 8th semester, to instill entrepreneurial proficiency among the fishery graduate for self-reliance.

The curriculum of the PG degree programs offered by the College viz. 2 years Master of Fisheries Science (M.F.Sc) and 3 years Doctor of Philosophy (Ph.D.), is also based on ICAR- BSMA (Broad Subject Matter Area) regulations, comprising of course work and research project towards submission of thesis/dissertation as an integral part for award of respective degree.

CHAPTER V

COLLEGE OF ANIMAL BIOTECHNOLOGY

5.1 INTRODUCTION

During the last three decades, molecular biology and biotechnology have emerged with extensive applications in animal husbandry, medicine, industry and environmental sciences. Recognizing the immense potential of biotechnology in animal sector, the Guru Angad Dev Veterinary and Animal Sciences University established the Department of Animal Biotechnology in 2008.

It was designated as School of Animal Biotechnology in 2010 and upgraded to College of Animal Biotechnology in 2019.

The mandate of the college is to generate scientific expertise and human resource in various facets of animal biotechnology and to develop specialized facilities for research in cutting-edge fields of biotechnology. The college is also involved in basic and applied research spanning a wide-spectrum of areas like genomics, molecular diagnostics, vaccinology, stem cell biology, cancer biology,

proteomics, and bioinformatics.

To cater the needs of undergraduate and postgraduate teaching and research, three departments viz., Animal Biotechnology, Microbial & Environmental Biotechnology and Bioinformatics have been created with excellent infrastructure and laboratory facilities. For the UG and PG teaching, the college is following the course curriculum as recommended by the ICAR. The college has been accredited by the ICAR with ‘A’ grade.

5.2 ACADEMIC PROGRAMMES

The College offers the following academic programmes in biotechnology:

FORMULA FOR INTERCONVERSION OF OGPA/OCPA AND AGGREGATE PERCENTAGE OF MARKS

The following conversion formulae have been adopted by the university to determine the equivalence of Overall Credit Point Average (OCPA), Overall Grade Point Average (OGPA) and Percentage of marks

11.1 Formula for Conversion OCPA into Percentage

$$Y = 10Z$$

Where Y = Percent Marks

Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation.

11.2 Formula for Conversion of OGPA into OCPA

Undergraduate programme: $Z = (50 - 10X + 5X^2) / 10$

Postgraduate Programmes: $Z = (25X - 15) / 10$

Where Z = OCPA in 10.00 point system of evaluation

X = OGPA in 4 point scale (maximum=4.00) in the letter grade system of evaluation

11.3 Formula for Conversion of OGPA into Percent Marks for B.V.Sc. & A.H. as per VCI Guidelines

Percentage of Marks = OGPA x 100, divided by 10

11.4 Formula for Conversion of OGPA into Percent Marks

$$Y = 50 - 10X + 5X^2$$

Where Y = Percent marks

X = OGPA in 4 point scale (maximum 4.00) in the letter grade system of evaluation

ANNEXURE – A

CRITERIA FOR ADMISSION OF OUTSTANDING SPORTSPERSONS & NCC CADETS

A. Undergraduate Programmes

1. The candidates applying for admission to undergraduate programmes under sportsperson category shall have to obtain a gradation certificate from the Sports Department, Government of Punjab for their performance at 10+1 and 10+2 level in sports as specified in Annexure D. No weightage for sports will be given to the candidates who have participated after 10+2 level. **Only the participation in the academic year of passing 10+2 and the preceding year will be considered.**
2. The candidates admitted to B.V.Sc. & A.H. programme under the sports person category shall attend the play-field during hours other than those scheduled for compulsory R & V Sqn. N.C.C. However, participation in inter-class, inter-college, inter-varsity, State and National tournaments shall be governed by rules as applicable to other academic and co-curricular activities.

B. Postgraduate Programmes

(a) Outstanding Sportspersons

1. The order of preference in the selection of outstanding sportspersons for admission to the postgraduate programmes shall be made as per Annexure- B (i). For example, the candidate qualifying for grade 'O' shall be placed at higher merit than the candidate qualifying for grade 'A' followed by grade B and so on.
2. In case of individual sports discipline, position of the candidate in an individual event shall be considered and not the position of the team as a whole.
3. The candidate should have participated at least twice in the University Inter-College Tournament, if held and once in the All India Inter-Varsity/North Zone Inter-Varsity Tournament/All India Inter-Agricultural University sports and games meet to be eligible for admission under sports category.

(b) NCC Cadets

The order of preference in the selection of NCC cadets for admission to the postgraduate programmes shall be made as per Annexure- B (ii). For example, the candidate qualifying for grade 'O' shall be placed at higher merit than the candidate qualifying for grade 'A' followed by grade B and so on.

Note (UG and PG Programmes):

- (i) For admission under the Sportspersons/NCC Cadets category, a provisional merit list of eligible candidates will be prepared by the Sports Committee constituted by the DSW-cum- Estate Officer. The shortlisted Sportspersons in order of merit, three times the number of available seats, will have to undergo trials for satisfactory performance. The trials will be video-graphed, and obtaining a satisfactory grading in the trials will be mandatory for admission under sports quota.
- (ii) Only those games/disciplines will be considered for admission under sports category, which are listed in Annexure- D.
- (iii) The candidate seeking admission under Sportspersons/NCC Cadets category shall be required to submit self-declaration (Annexure-C) regarding his/her achievements in sports. If the candidate is a minor, declaration has to be made by the parents/guardian in respect of child's/ward's achievements in sports.
- (iv) The admission of the candidate under the Sportspersons/NCC Cadets category shall be made on the explicit understanding that after joining the university, he or she shall attend the play fields regularly and shall also participate in various tournaments. If the candidates fail to do so, his/her admission may be cancelled.
- (v) In case of two or more candidates are obtaining similar grades in Sportspersons/NCC Cadets category, the following criteria will be used to determine the merit of selection for admission under Sportspersons/NCC Cadets category:
 - (a) The candidate winning the higher position in a competition of the same level will be placed higher followed by
 - (b) The candidate representing the competitions at the same level more times followed by

Subject: Bonafide Resident of Punjab Guidelines for Grant of Resident Certificate

As per the Punjab Government Circular letter No.1/3/95-3PP/II/2043, dated 29.1.1996 vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for the purpose of admission to educational institutions (including technical/medical institutions). The matter has been reconsidered in the light of judgement delivered by Hon'ble Supreme Court of India in the case of Dr. Pardeep Jain vs. Union of India and others reported as AIR 1984-SC-1421 wherein it was held that instead of the word 'Domicile' the word 'Residence' be used in the instructions issued by the State Governments on the subject. Accordingly, it has been decided by the Government to revise the Government instructions referred to above as under:

Self declaration/Certificate and the Authorities competent to issue the same

- (a) Citizens of India
- (b) Produce an affidavit to the effect that they or their children/wards have not obtained the benefit of residence in any other State : Self declaration of the Parents/Guardian (Annexure VII)
